Any suggestion from you for quality improvement of college:

1. More freedom and financial assistance from college is required for organising various programmes to the departments

2. Planning and direction should be given at proper time so that no disturbance is expected again and again while doing any task.

3. No. of ICT rooms should be increased alongwith the best quality internet facility.

4. Meeting of higher authorities should be held to decide overall policy of the college and regular (monthly) meetings of IQAC and committees should be held with Principal.

5. Strengthen Professuinal Development Programs and Appraisal System.
