

Devchand College ,Arjunnagar.
Department of Sociology
B.A. Sociology - Programme Specific Outcomes

1. Curriculum or Syllabus of the sociology department attempted to provide social sense amongst the students.
2. It also tried to give them sociological understanding of various concepts which we found in the society and at the same time it gave them a sociological perspective to analysis social issues ,social movements, social structure, social thinkers and their theoretical contribution in the sociology, teaching faculties of the sociology department took initiative to make students familiar with the sociological discourse.
3. It can be defiantly observed that specific outcome of these programme students became more familiar with sociological discourse.
4. They have got sociological understanding of social issues social movements, social thinkers and their work in sociology, social structure and concepts which found in the society.
5. Another very useful outcome also we found that academic study of the papers related to social research methods, social welfare policies, human rights and society played very vital role to provide useful knowledge to students for their careers in social research, NGO's, government job.
