REPORT ON STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION

Devchand College is a renowned higher education institution which is committed to imparting quality education to the rural, socially and economically disadvantaged youth of the region. The VISION of the college is *Tamaso Ma Jyotirgamaya* i.e. transition from darkness to light. The vision implies transformation of individuals into resourceful, skilled, mature, enlightened and wholesome personalities. All the endeavours of the institution, from policies to programmes, are carried out with specific outcomes in sight. This approach leads to attainment of stipulated student attributes.

Means Available: Peaceful, vast, pollution-free campus with spacious buildings provides proper ambience for the pursuit of academic and non-academic goals. The college has developed excellent physical and academic infrastructure to execute and support academic activities for the enrichment of students' personality.

Spacious playgrounds and open-air theatres enable the institution to nurture all round development of students.

Versatile teaching faculty cater to the needs diverse attributes of students.

Committees/cells for various activities
